This term we will be looking at Winter and Toys. If your child would like to bring in a toy they had for Christmas or something to do with the winter season for the interest table, this would be great.

RECYCLE

You can recycle your Christmas cards with us, we would like Christmas and winter season cards just the picture part (the backs torn off)

LEARNING JOURNALS

The learning journals are on the table in the hall for you to look view at all times. We would appreciate you looking through these and signing them at least once a term. These give you an insight as to what your child has done and achieved over the last few weeks.

Butterflies Preschool has applied to the Tesco Charity Trust for one of their community awards supporting children's education to help develop an outdoor classroom and facilitate access to the outside environment. If we are successful, the children will have the use of waterproof clothing and wellies, outdoor play and gardening equipment. We should hear whether our application has been successful or not by the end of April 2010.
